MEMORANDUM FOR: The Director

FROM:

Acting Director of Congressional Affairs

25X1

SUBJECT: Weekly Report

Senate Committee Assignments: Senate and House Members have scheduled caucuses to choose their leadership and begin to consider committee assignments for the 100th Congress. The Senators will meet on 19 - 21 November, while the House Members are scheduled to get together on 8 - 10 December. However, actual committee assignments may not be announced until early January. Meanwhile, we are hearing numerous, sometimes conflicting rumors about which Members are trying to get on our committees. The only solid news during the past couple of days is Senator Thurmond's announcement that he will serve as Ranking Minority Member of Judiciary and pass up a similar post on Armed Services. This means that John Warner will move up to be Ranking Minority Member of Armed Services.
